Department of Computer Science and Engineering

EXPERT LECTURE

ExpertLecture on **"Embedded in C"** under TEQIP-II is organized by the Dept. of CSE for II, III, IV B.Tech Students in Dasari Auditorium on15 Nov 2013**, Dr. Amith P Kesarkar**,Scientist – SD, NARL, Gadanki was the resource person.

Dr. Amith,has discussedabout the architecture of Embedded systems and different components involved in implementing real time applications. And he also discussed about the features of C-programming on implementing Embedded Systems. The sessionwas interactive. Students gained knowledge on C on implementing Embedded Systems.
