

**SREE VIDYANIKETHAN ENGINEERING COLLEGE  
(AUTONOMOUS)**

Sree Sainath Nagar, Tirupati - 517 102

Department of Electronics and Communication Engineering

---

**SVEC-14**

**M. Tech. (Digital Electronics and Communication Systems)**

**Program Educational Objectives:**

- PEO1:** To impart advanced knowledge in the domains of Digital Electronics, Signal Processing and Communication Systems.
- PEO2:** To develop analytical, problem solving, design and development skills in the broad area of Digital Electronics and Communication Systems.
- PEO3:** To apply the knowledge and skills of Digital Electronics and Communication Engineering for the solutions to the real world engineering problems.
- PEO4:** To provide opportunity to work with a strong sense of professionalism and code of engineering practice.
