Report on Expert Talk on “Digital Communications”

The department of ECE has organized Expert lecture on “Digital Communications” on 20th January, 2016.

The lecture was delivered by Mr. Dinesh Gutha, Software Engineer, CISCO Systems. In his lecture, he addressed about need for modulation, various Digital modulation schemes, information theory, Error detection and correction techniques etc.

All the students of III B.Tech ECE are benefitted from his lecture.

HOD, ECE
