

Department of Information Technology

Outreach Programme

on

“Digital Literacy” on 4th Jan, 2018

An outreach program was organized by Department of Information Technology, Sree Vidyanikethan Engineering College, A. Rangampet at Z.P Girls High School, Chandragiri. The Program was organized for half a day on January 04, 2018. About 60 students participated actively and made it a grand success.

The first session of the outreach programme was handled by Ms. C. Silpa, Assistant Professor, Department of Information Technology, Sree Vidyanikethan Engineering College. She delivered lecture on 'Introduction to Computer, Input Devices and Output Devices'.

Mr. A. Ram Prakash Reddy, Assistant Professor, Department of Information Technology, Sree Vidyanikethan Engineering College, handled a session from 02.45 PM – 03.45 PM, on 'Assembling and Disassembling of Computer'.

The third session of the programme was on 'How to Search Information in Google, and Gmail Creation'. Ms. E. Sandhya, Assistant Professor, Department of Information Technology, Sree Vidyanikethan Engineering College, handled this session and gave profitable insights.

The exuberant students were enthralled by the abundance of knowledge they gained and were thankful to the resource persons for the programme conducted for their benefit.

Ms. C. Silpa, discussing the computer components.
