Dear Chandra,

AP Innovation Society is organising a two day workshop on Innovation By Design on 15th and 16th in SVU Campus. Kindly mobilise the candidates from your college who are interested in innovations and entrepreneurship.

1.0 INTRODUCTION

Background:

Under the Design Thinking we are helping students a framework for thinking and problem-solving that can help them creatively tackle any issue. Thinking like a designer transforms the way we approach problems and gives us a methodology for generating innovative solutions. The design cycle involves these basic steps like EXPLORE, FOCUS, IMAGINGE, DISTILL, EVOLVE, SHARE & BUILD

The workshops are aimed at promoting the culture of innovation and design thinking in universities and capture local innovation and scale it up at district level. It also aims to encourage establishment of Innovation and Entrepreneurship culture at all universities and colleges of the state of AP. The workshop will have inputs on soft skills, design and innovation.

The main focus is activity based innovation design workshops including small lectures, creative activities and group work among small teams of participants.

THE FACULTIES

Dr. Dwarika Prasad Uniyal – Associate Dean – Executive Education – IIM Kashipur
Ms. Malti Lakhani – CEO and Corporate Trainer – Kaizen Institute of Training Excellence

Kindly share the students name on or before 14th March.

Regards
Geetha
