

## *Entrepreneurship Development Cell*

In order to foster the idea of entrepreneurship among the students, Entrepreneurship Development Cell was started in the college. The Cell aims at creating an entrepreneurial ecosystem in the campus and also provides a forum for students to translate an idea into a fundable technology business. The cell also has an objective of equipping the faculty who are interested in and passionate about implementing programs. Since its inception, the cell is encouraging the students to think beyond placements or employment. Many motivating speeches and awareness programs are conducted to strengthen the entrepreneurial spirit of the students.
