

### About The College

Sree Vidyanikethan Engineering College was established in the year 1996 by the Sree Vidyanikethan Educational Trust (SVET) under the stewardship of Dr. M. Mohan Babu, a renowned film artiste and former Member of Rajya Sabha with the noble objective of promoting Technical Education in the backward region of Rayalaseema. The College is situated 15 km from the temple-town of Tirupati on the Tirupati-Madanapalli National Highway (NH-205). For Every 10 minutes, there is a bus from Tirupati bus station to Madanapalle.

The College is approved by All India Council for Technical Education, New Delhi and is affiliated to Jawaharlal Nehru Technological University Anantapur, Anantapuramu. University Grants Commission (UGC), New Delhi has conferred Autonomy to the College with effect from the academic year 2010-2011. The College has been accredited by NAAC with 'A' Grade. Also, the Institution is included in the list of colleges under 2 (f) and 12 (B) of UGC for funding from Govt. agencies.

The college is endowed with excellent infrastructure facilities for teaching, learning, and research. Exemplary academic achievements of the College include consistent student learning achievements and awesome student placements in reputed industries.

### About the Department

The Department was established in the year 1997 with a modest intake of 30. The intake was increased to 60 in the year 1998 and 120 in the year 2008. The Department got accredited by NBA in 2007 and reaccredited in 2013. The Department has well qualified and experienced faculty. The Department is equipped with excellent infrastructure and state-of-the-art equipment to explore the technological challenges in the areas of Instrumentation and Control systems. The Department actively involves in various research areas which include Soft computing, Nonlinear Control systems, Robotics and MEMS. The department has its distinguished Alumni in National, Multinational, Government and Public sector units.

### Course offered

Diploma, B.Tech. in CSE , IT, EEE, ECE, EIE, CSSE, Civil, Mechanical, M. Tech. in CS, CNIS, SE, EPS, DECS, VLSI & CMS, PED, MCA and Ph.D.

### About MietY

Ministry of Electronics and Information Technology is started with a vision of e-Development of India as the engine for transition of India into a developed nation and an empowered society by promoting

- e-Governance for empowering citizens
- the inclusive and sustainable growth of the Electronics
- IT & ITeS industries
- enhancing India's role in Internet Governance
- adopting a multipronged approach that includes development of human resources
- R&D and innovation
- enhancing efficiency through digital services and ensuring a secure cyber space.

### About the Programme

Present scenario of Research in engineering colleges ends up with publishing papers and experimenting it with funded projects. Most of the innovative ideas are not materialized due to lack of awareness on moving the research towards making a usable product, patenting it and commercializing them. This program "IPR Awareness Workshop", aims to create awareness among the Researchers to make a marketable product out of their research and innovation more specifically in the domain of Electronics and Information Technology.

### Topics to be covered

- ✓ IPR Basics
- ✓ IPR Initiatives
- ✓ Prior Art Search
- ✓ Basics of Trademark and Copyrights
- ✓ IPR Innovation and Entrepreneurship

### Eligibility

The Workshop is open to Teaching faculty of Engineering Colleges, Research scholars and Professionals from Industry.

### Resource Persons

- ✓ MeitY Representative, New Delhi
- ✓ **Dr.K.C.Varaprasad,**  
Professor & Head, Dept. of Mechanical, SVEC, Tirupati.

### Registration

- ✓ No Registration fee.
- ✓ The number of participants is limited to 100.
- ✓ Certificates will be issued to all the participants.
- ✓ Selection of participants for the event is on a First Come First Serve Basis.

The Department of Electronics and Instrumentation Engineering, SVEC organized a one day IPR Awareness Workshop on 16<sup>th</sup> December, 2017.

The workshop was inaugurated by the Chief Guest Dr. A. K. Garg, Director, HoD International Cooperation & Bilateral Trade IPR) MeitY, Government of India, New Delhi and Guest of Honour Shri. S. Thangapandian, Deputy Controller of Patents, Indian Patent Office, Chennai. Dr. P. C. Krishnamachary, Principal, Sree Vidyanikethan Engineering College, Dr. C. Subhas, Dean Academics, SVEC, Dr. M. Saravanan, Convener and Head, Department of Electronics and Instrumentation Engineering and Heads of Departments in SVEC also graced the inaugural function.

Dr. A. K. Garg focused on IPR initiatives and emphasized on the importance of intellectual property rights specifically in the area of Electronics & Information Technology. He also described the support offered by the government in Patents filing and processing. Shri. S. Thangapandian, presented on IPR basics and explained clearly the steps involved in filing and processing patents. He shared his experience in Patent filing procedures with various case studies. Mr. I. Prem Charles, Director, Allinnov Research and Development Pvt. Ltd, presented a detailed explanation on 'Prior Art Search' and discussed about the importance of prior art search before proceeding to patent filing. Dr. K. C. Varaprasad, Professor, SVEC, shared his expertise on Basics of Trademark and Copyrights.

139 faculty members attended this programme and were benefitted.
