DEPARTMENT OF MASTER OF COMPUTER APPLICATIONS

An Expert Lecture was organized on **Data Analytics using Tableau** by **Mr. Praveen Sunku,** Business Analyst, IGATE Global Solutions Ltd, Hyderabad on the forenoon of 07th November 2015 conducted by the Department of Master of Computer Applications, Sree Vidyanikethan Engineering College, Tirupati.

Tableau is a Business Intelligence Data Visualization Tool which enables users to quickly see and understand their data by automatically converting data into a graphical or visual representation. As the brains of people process visual information so efficiently, visualizing data graphically greatly speeds up the process of data analysis.

Mr. Praveen Sunku, *Business Analyst, IGATE Global Solutions Ltd, Hyderabad delivering Expert Lecture*

Mr. Praveen Sunku discussed on Overview of Tableau, High Performance features, Tableau Installation on Windows, Basic operations performed in Tableau working environment. He also presented Graphical representation of data from different data sources and how the Tableau works on real time Data Sets such as My Brick My Amaravathi (Naa Etuka Naa Amaravati) and 2014-Elections.
