**DEPARTMENT OF MASTER OF COMPUTER APPLICATIONS**

One Day Intellectual Property Rights Programme on

COMPUTER EDUCATION: LEGAL, SOCIETAL AND ETHICAL ISSUES

The Department of Master of Computer Applications organized One Day Intellectual Property Rights Programme on "**Computer Education: Legal, Societal and Ethical Issues**" on 06th June 2016. The target group is faculty from SVEC.

Dr. K. Suneetha, Professor & Head, Dept. of MCA, SVEC projected on various concepts related to principles of ethics includes personal, professional, and corporate ethics in a computing context. She addressed the interplay between ethics, law, society, responsibility, honesty. She focused on specific ethical issues raised by the ubiquity of computer and information technology in today's society.

*Dr. K. Suneetha, Professor & Head, Dept. of MCA, SVEC delivering Lecture on **Computer Education: Legal, Societal and Ethical Issues***

This programme aims to ensure that participants have the educational knowledge, skills and behavioral approaches to maintain awareness of key legal and ethical issues related to system safety and how safety critical systems can affect society, and deepen knowledge through critical engagement with the discipline. At the end of the session she discussed on legal and societal issues related to computer usage in academia. The research scholars and academicians enthusiastically participated during her lecture.
