In the second session Mr. Gaffardelivered lectures on "**Introduction to NAM** and **Wired Network Simulation**". The afternoon session was on Hands-On Practice where the Students Simulated Programs on Wired Network Simulations.

On the second day (28-02-2015) Prof.K. Manikandan,VIT, Vellore discussed different issues on **"Wireless Simulation"** followed by Mr. T.Sreekanth,CISCO,Chennai delivered a lecture on**"Trace File Formats and Result Analysis using Trace Graph"**. The Afternoon sessionswere delivered byProf.K. Manikandan,VIT, Velloreand Mr. T.Sreekanth, CISCO, Chennai on **"Performance Evaluation of Various Protocols "**and **"Recompilation of New Protocol"**

Outcomes:

Students are able to

- Acquire practical exposure onWired & Wireless Network Simulation
- Develop and simulate various protocols in the Simulation Environment
- Provide Solutions for various Routing Algorithms.
