

One Day Skill Development Program on  
**"Mobile Application Development using Cloud Platform"**  
**October 15, 2016**

One Day Skill Development Program on **"Mobile Application Development using Cloud Platform"** was organized by department of CSE in Dasari Auditorium during October 15, 2016. The Program was inaugurated by **Prof. Dr. V. V. Rama Prasad, Dept. of CSE, SVEC**. A total of 250 B.Tech (CSE) & M. Tech (CS/CNIS) students participated in the program.

On the day (15-10-2016) of the program Mr. Venkata Pavan Kumar, Sr. Software Engineer, TrueTech Solutions, Chennai briefed about **"Mobile Application Development using the cloud services"**. The second session was delivered by Mr. Gautham Arunagiri, Sr. Software Engineer, TrueTech Solutions, Chennai on **"Mobility and Life Cycle of Mobile App Development"**. Then Mr. Rama Pavan Kumar of TrueTech Solutions, Chennai handled a session on **"Building Cross Platform Mobile App using Kony Tool"**. The Afternoon sessions were delivered by Mr. Venkata Pavan Kumar with a **"Live demonstration on building a Mobile Application using Android SDK and Kony Tool"**.

**Outcomes:**

This program helped attendees...

1. to understand and apply the key technological principles and methods for delivering and maintaining mobile applications,
2. to establish appropriate techniques and methods for development and deployment of Mobile Applications
3. to get exposed to the leading edge developments in mobile application development and apply it in the design process.
4. to have a better knowledge on the components and structure of a mobile development framework (Google's Android Studio, KONY, etc.,).
5. to design and build their academic project in mobile app development.
