## *IMAC*

*(Intellectual Master's Association of Computers)*

The Technical Associations of Students are the pivot around which the extra-curricular activities play a significant role in the life of the students. The idea behind the formation of this association is to give maximum exposure in curricular, co-curricular and extra-curricular activities. Through this association students are encouraged to conduct and participate in many activities.

### ***The Objective of IMAC is***

- To promote disciplined corporate, intellectual, public and cultural life amongst students.
- To foster activities to bring out the creative talent of the students.
- To promote social service activities.
- To know the latest developments.
