

Indian Society for Technical Education (ISTE) is the national, professional, non-profit Society registered under the Indian Societies Registration Act of 1860. The major objective of the ISTE is to assist the technical institutions in the production and development of top quality professional engineers needed by the industries and other organizations.

The main functions of the ISTE are:

- Providing quality training programmes to teachers and administrators of technical institutions to update their knowledge and skills in their fields of activity.
- Providing platform to participate in chapter level, section level and national level conferences, workshops and other technical activities.
- Providing guidance and training to students to develop better learning skills and personality.
- Providing awareness about the engineering education and prospects for advanced studies.
- Also providing awareness of societal responsibilities such as necessity for maintaining clean and safe environment, ethics in interpersonal relations.

The ISTE Chapter at Sree Vidyanikethan Engineering College (SVEC) was established in the year 1998. Since the inception, ISTE Chapter has been proactively working to enrich the members with needed skills. ISTE Chapter believes in building people by providing varieties of opportunities for social and professional development. Throughout the academic year, the ISTE Chapter at the College organizes a plethora of events to hone technical as well as soft skills.

It also organizes training programmes, workshops, poster presentations, Essay writing competition, Model making, paper presentations, web designing, expert lectures, invited talks, quiz, debate and group discussions etc.
