Report on Expert Lecture on "AWARENESS ON PSUs"

The department of ECE has conducted Expert lecture on "AWARENESS ON PSUs" to create awareness about the various competitive examinations to enter into public service organizations on 17th March, 2016.

The lecture was delivered by Mr.P.Jeevaiah, Sub-Divisional Engineer, HR, BSNL, Tirupati

In his lecture, He addressed about the importance of IES and GATE examinations to get into PSUs, other examinations conducted by various organizations. The expert insisted the students to prepare for IES examination so that it can help them to crack any examination. All III ECE students benefitted from his lecture.
