Coordinator: Mr. D. V. PURUSHOTHAM

The Department of Civil Engineering of Sree Vidyanikethan Engineering College organized a Inaugural ceremony and Guest Lecture for the students under ASCE **Sree Vidyanikethan Engineering College Student Chapter** on 28th, October 2017. The objective of the program was to bring together the practicing engineers to share their ideas and experiences with the students in the field of civil engineering. This program was helpful to the students to understand the technicalities in the field of civil engineering and the advancements thereof.

The resource person was an eminent personality from the Industry Dr. K. Rama Raju, Chief Scientist and Head, Vibration Control Group, Structural Engineering Research Centre, Chennai. In the programme session, the expert shared his rich practical knowledge of the subject with all the participants and enriched them with the concept of “Sesimic Rehabilitaion Structures”. A total of 430 students from the host institution participated in the inaugural ceremony and the subsequent Guest Lecture.

Dr. O. Eswara Reddy, Professor and BOS Chairman, Department of Civil Engineering, Sree Vidyanikethan Engineering College is the Faculty Advisor, ASCE SVEC Student Chapter, Mr. D. V. Purushotham, Assistant Professor was the coordinator for the programme. Other members of faculty of the department and ASCE SVEC student office bearers of Civil Engineering Department were the organizers of this programme.

On the whole, the event has proved successful. Guest Lectures are a forum to enrich the students with the latest developments in civil engineering industry by eminent practicing engineers, beyond curriculum. The students will be enriched with knowledge about latest technologies used in the industry, industry needs, job avenues etc. The students will be inspired by the speaker, and will get an opportunity to meet eminent personalities. Enhanced interaction between the speaker and the department on various issues like industry internships, placements, MoUs etc is also assured.

The Principal Dr. P.C. Krishnamachary presided over the function. Dr. D. V. S. Bhagavanulu, Director, SVEC, Dr. O. Eswara Reddy, Faculty Advisor ASCE SVEC Student Chapter, Professor and BOS Chairman, Department of Civil Engineering, Dr. M. V.
