## VIII. Comments

- The course outcomes of signals and systems and corresponding program outcomes showed expected level of attainment.

- In M1Q1, M1Q3B, M2Q1, M2Q2B, M1Q5A, M1Q5B the percentage of students who got at least 70% marks is less than 70%. From this it is observed that students require to practice more.

## IX. Recommendations For Improvement

More problems need to be solved during tutorial classes.
