

**ASCE SVEC Student Chapter Activities**

**A Field Visit**

**to**

**Construction Sites of Indoor Stadium and Hostel Building at  
Sree Vidyanikethan Engineering College Campus**

**03<sup>rd</sup> January 2018**

*Faculty Advisor:* **Dr. O. ESWARA REDDY**

*Coordinator:* **Mr. D. V. PURUSHOTHAM**

The Department of Civil Engineering of Sree Vidyanikethan Engineering College organized a “Field Visit to Construction Sites of Indoor Stadium and Hostel Building” within the SVEC Campus for the benefit of Civil Engineering students on 03<sup>th</sup> January 2018. The objective of the program was to impart the practical knowledge on the construction of isolated footings and pile foundations. This program has helped the students to understand the technicalities of foundation engineering practice and making them aware of the advancements in fast track construction therein.

150 students from III B.Tech. II Semester from the Department of Civil Engineering participated in the field visit along with 06 faculty members. Dr. O. Eswara Reddy, Professor and BOS Chairman, Faculty Advisor - ASCE SVEC Student Chapter; Dr. M. V. Subba Reddy, Assistant Professor and Head, Dept. of Civil Engineering; Dr. P. Ramesh, Dr. P. Indiramma, Dr. D. Sita Ramireddy & Mr. D. V. Purushotham, Assistant Professor, Coordinator- ASCE SVEC Student Chapter.

Dr. O. Eswara Reddy explained the necessity, classification, methods of pile foundations, and pile load test through field demonstration. He interacted with the students to know about their understanding and awareness they had acquired during the field visit.

The purpose of the field visit was fulfilled and all the student-participants were benefited.

The photographs of the session of the program are as follows.
