

ASCE SVEC Student Chapter Activities

Report on

Guest Lecture on Geotechnical Engineering

08th January 2018

Faculty Advisor: **Dr. O. ESWARA REDDY**

Coordinator: **Mr. D. V. PURUSHOTHAM**

The Department of Civil Engineering of Sree Vidyanikethan Engineering College organized a Guest Lecture for Students under ASCE SREE VIDYANIKETHAN ENGINEERING COLLEGE STUDENT CHAPTER ACTIVITIES on 08th, January 2018. The objective of the program was to invite practicing engineers to the campus to share their ideas and experiences with the students in the field of civil engineering. This program was helpful for the students to understand the technicalities of geotechnical engineering field and making them aware of the advancements therein.

The resource person was an eminent personality from the Industry Mr. Pasupula Suresh K Gupta, Lead Engineer – Geotechnical, CH2M HILL (India) Pvt. Ltd., Madhapur, Hyderabad – 500081, Telangana. He is also one of the two Practitioner Advisors of ASCE SVEC Student Chapter.

A total of 430 students from II, III and IV B.Tech. Civil Engineering II Semester and 20 faculty members from the host institution participated in the Guest Lecture on “Geo-technical Engineering – Case studies”. Dr. O. Eswara Reddy, Professor and BOS Chairman, Department of Civil Engineering, SVEC, and Faculty Advisor-ASCE SVEC Student Chapter, Dr. M. V. Subba Reddy, Assistant Professor and Head, Dept. of Civil Engg., Mr. D. V. Purushotham, Assistant Professor and Coordinator-ASCE SVEC graced the occasion. Office bearers of ASCE SVEC Student Chapter were the organizers of this programme. During the programme session, expert shared his rich practical knowledge of geotechnical engineering along with case studies.

On the whole, the event proved successful. Guest Lecture is a way of enriching our students with the latest developments in civil engineering industry by an eminent practicing engineer, beyond curriculum. The students will be enriched with knowledge on latest technologies used in the industry, industry needs, job avenues etc. Further, students get inspired by the speaker. Guest Lectures provide an opportunity to the students to meet eminent practicing engineers and interact with them on various issues like industry internships, placements, MoUs etc.

The photographs of the session of the program are as follows.
