

AICTE- CII SURVEY STATUS

AICTE and CII have been organizing a survey to identify best industry linked technical institutes in India since 2012. AICTE-CII jointly carry out this survey on a yearly basis at the national level and announce the results among three categories based on the strength of the industry linkages — Silver, Gold and Platinum, where platinum being the highest.

Sree Vidyanikethan Engineering College has been participating in the AICTE (All India Council for Technical Education) - CII (Confederation of Indian Industry) survey of industry linked technical institutes every year.

Sree Vidyanikethan Engineering College has attained Platinum status (Highest category) in the recent AICTE-CII survey 2018.

The objective of the Survey is to assess the status of partnership between technical institutions and industry. It has been designed keeping six basic parameters in mind such as curriculum, faculty, infrastructure, research and services / project & skill development, placements and governance. All parameters are examined purely from industry and output perspective and not from an academic perspective. The parameters have been designed to give insights into:

- i. The extent to which institutes have been able to meet the dynamic demands of Industry-responsive education
- ii. Institutes' capabilities and resources to produce talent in order to meet market requirements

CII promotes and disseminates the findings of the survey widely in India and abroad through its network of 64 national and seven overseas offices. Citation in this survey provides institutes national-level recognition and opportunity for partnerships of various kinds with industry and other universities, both nationally and internationally.

Survey Results

Year	Status	Remarks
2012	Rank :85	Total number of registered institutes is 200
2013	Grade :2	Total number of registered institutes is 759
2014	Amber color Amber represents Institutes performance meeting standards	Total number of registered institutes is 2176

2015	Attained Gold status in Engineering disciplines. & Attained Gold status in Emerging Engineering institutes category	Total number of registered institutes is 2160
2016	Attained Gold status in all Engineering disciplines	Total number of registered institutes is 1829
2017	Attained Platinum (Highest category) status in all Engineering disciplines	Total number of institutes which participated in Short Survey: 9525 Total number of institutes shortlisted for Full Survey: 4790 Total number of institutes participated in full survey: 786
2018	Attained Platinum (Highest category) status in all Engineering disciplines	Total number of institutes which participated in Short Survey: 9581 Total number of institutes shortlisted for Full Survey: 3659 Total number of institutes participated in full survey: 755
