

Inaugural Function of Institution of Engineers (India) Student's Chapter

Institution of Engineers (India) Student's Chapter was inaugurated on 11th October, 2018 in the Department of Mechanical Engineering, SVEC with an objective to help the student community to assimilate the recent developments in the emerging fields and to improve the leadership qualities.

Er.M.Devendranath Reddy, Retired Superintendent Engineer (SE), APSPDC former Chairman IEI Tirupati Local Centre and Er.S.Vijaya Bhaskar, MIE Honorary Secretary, The Institution of Engineers (India) Tirupati Local Chapter, Dr. Sriram Sundar, Assistant Professor, Department of Mechanical Engineering, IIT Tirupati, Dr. P. C. Krishnamachary, Principal, SVEC, Dr. K.C Varaprasad, Head of the department graced the occasion.

Dignitaries on the dais

Lightening of the lamps by the dignitaries

Dr. P.C.Krishnamachary, Principal in his address enlightened the students about the importance of technology, and the revolutions that are occurring in the field of technology. Dr. Krishnamachary said, " Scientists use the technologies that engineers create (such as microscopes, monitors, and meters) to conduct their research. And when engineers start to design a new technology, they call on the knowledge of the natural world developed by scientists (for example, the law of gravity or how fluid flows). Engineering, Science, and technology connect to and influence each other and get influenced by society".

Dr. P.C. Krishnamachary, Principal, SVEC, addressing the Participants

Dr. K.C. Varaprasad, in his inaugural address stressed the need for the professional activities at the college to create a competitive atmosphere among the students to organize seminars, workshops, quizzes which help in enhancing technical abilities and also in developing teamwork and leadership qualities.

Er. M. Devendranath Reddy informed that Institution of Engineers (India) functions amongst professional engineers, academicians and research scientists and provides a vast array of technical, professional and supporting services to government, industry, and academia as well as to the engineering fraternity.

Er. S. Vijaya Bhaskar, MIE Hon., Secretary, The Institution of Engineers (India) Tirupati Local Chapter expressed hope that with this move, the Institute would be able to get a suitable platform for interaction in the field of knowledge and training in engineering with rest of the world through IEI.

Felicitations to the IEI chairman and Secretary

Faculty and Students during the inauguration

A total of 350 students from II, III and IV B.Tech I Semester Mechanical Engineering and 42 faculty members participated in the inauguration.
