

An Expert Talk in
Skill and Personality Development Programme Centre for SC/ST students on
Employability Skills
8th May, 2018

Skill and Personality Development Programme Centre for SC/ST Students (SPDP) sponsored by AICTE organised an expert lecture for engineering students on **Employability Skills** in Dasari Auditorium, Sree Vidyanikethan Engineering College on 08th May, 2018.

In this connection, Mr. P. Sudhakar, Lecturer, Government Degree College, Nagari delivered an expert talk. At the commencement, he quoted "Labor Omni Vincent" and emphasized on hard work. This was an exhaustive talk on the skills – Basic language and communication skills, Life Skills, Interpersonal Skills, Conversational Skills, Soft Skills, Global Skills, Conflict Management, Time Management, Negotiating Skills, Persuasive Skills, Comprehension Skills, Analytical and Logical Skills etc.

Besides emphasizing on the requisite skills, the expert elaborated on Note Making, Note Taking, Data Interpretation, Data Representation and other arenas of use for technical professionals. Taking a step ahead towards the participants' orientation to career, the talk also addressed drafting a covering letter, designing a curriculum vitae and every component therein. The session became a forum to discuss 50 interview FAQs. The highlight of the session was the passion with which the expert led the participants to "Know Thyself" through SWOT analysis and showed time managing strategies to manage and lead their life. The talk concluded with an exposition on qualities of an effective team leader.

The participants were elated as they were given ample time to ponder and participate and felt very happy for great learning.
