

DEPARTMENT OF INFORMATION TECHNOLOGY

A Guest Lecture

on

“Inducement Talks”

November 06, 2018

Ms. V. Lakshmi Krupa, presently working as Software Engineer, CGI, Bangalore (Alumni of IT).

Ms. V. Lakshmi Krupa addressing the Students

Target Group: I B.Tech. IT (B)

Ms. V. Lakshmi Krupa shared her experiences and struggles while attending off-campus interviews. She explained the students how engineering education is helpful in working environment. She suggested these students to concentrate more on Networking, Database, Linux, Software Engineering and Design subjects in engineering.

She also motivated the students by sharing success stories in the relevant field. The students received many insights about their future plans.

Ms. V. Lakshmi Krupa explaining about present scenario of industry.
