**DEPARTMENT OF CIVIL ENGINEERING**

**Indian Geotechnical Society**

**Sree Vidyanikethan Engineering College (IGS SVEC) Student Chapter**

**Guest Lecture on “Licensing for Civil Engineers - Essentiality”**

**February 28, 2019**

The Department of Civil Engineering of Sree Vidyanikethan Engineering College has organized a Guest Lecture on “**Licensing for Civil Engineers - Essentiality**” under **Indian Geotechnical Society Sree Vidyanikethan Engineering College (IGS SVEC) Student Chapter** on 28<sup>th</sup> February, 2019 from 2:15 p.m to 3:45 p.m. The objective of the program is to bring eminent engineers on to the campus to share their knowledge and experience with the students in the field of civil engineering. This program is helpful for students to understand the essentiality of licensing in the field of civil engineering.

The resource person was an experienced practicing engineer: **Mr. T. Venkatesh Babu, Former President – TAPE Tirupati; Chairman, TAPE Chittoor; Vice President – CREDAI Andhra Pradesh; Consultant - eM Consultancy; Mg Partner – Surabhi Homes Developers.** In the program session, the expert shared his rich practical knowledge of the subject with all the participants and enriched them with the concept of “Licensing for Civil Engineers - Essentiality”. A total of 225 students and 18 faculty members from the host institution were participated in the program.

Dr. O. Eswara Reddy, Professor and BOS Chairman, Department of Civil Engineering, Sree Vidyanikethan Engineering College; Faculty Advisor, IGS SVEC Student Chapter; Convener of the Event, Dr. D. Sreenivasulu, Associate Professor and Head, Department of Civil Engineering; Mrs. G. Gnana Prasanna, Assistant Professor, Department of Civil Engineering; Coordinator, IGS SVEC Student Chapter; Coordinator of the Event graced the occasion. Office bearers of IGS SVEC Student Chapter were the organizers of this program.

On the whole, the event was proved successful. Guest Lecture is a way of enriching students with the latest developments in civil engineering by an eminent Practicing Engineer within and beyond curriculum. Students got inspired by the speaker and got enriched with knowledge on importance, methods, procedure and issuing authorities of licence for civil engineers in the field of Civil Engineering. In addition, a good interaction took place between the speaker and participants. Further, the Civil Engineering Department had an opportunity to explore the possibilities of collaboration with the speaker with respect to internships and consultancy.
