## **DEPARTMENT OF CIVIL ENGINEERING**

### **IACE ACTIVITIES**

*Rangoli Competition on the occasion of Makara Sankranti*

**10<sup>th</sup> January 2019**

The Department of Civil Engineering of Sree Vidyanikethan Engineering College has organized a **Rangoli Competition** on the occasion of **Makara Sankranti** under Intellectual Association of Civil Engineers (IACE) on 10<sup>th</sup> January 2019. The objective of the program is to bring joy and spread the happiness of the occasion through expression by art and colors.

A total of 42 students grouped into 11 teams from II. and III. B.Tech. Civil Engineering

II Semester has participated in the event. The students were given space and time to showcase their talent and skill in Rangoli. The competition was conducted at premises of Department of Civil Engineering from 2.30 pm to 4.45 pm. Ms. G. Gnana Prassanna, Assistant Professor Department of Civil Engineering and Ms. P. Naga Sowjanya, Assistant Professor, Department of Civil Engineering were the judges for the event.

Mr. M. Gokulnath, Coordinator- IACE; Mr. P. Anil Kumar, Assistant Professor, Department of Civil Engineering monitored the event. The judges assessed the Rangoli of the students based on occasion of the event and the message portrayed by the Rangoli.

On the whole the event brought the mood of the festival and joy among students and provided a platform to showcase their skill and talent in expression of their thoughts and art form using Rangoli.
