

## **IGS SVEC STUDENT CHAPTER:**

The Department of Civil Engineering, Sree Vidyanikethan Engineering College has initiated the process of establishment of IGS SVEC Student Chapter within the institute on 20<sup>th</sup> November 2018 and inaugurated the chapter with its activities on 22<sup>nd</sup> December 2018.

**IGS Sree Vidyanikethan Engineering College (IGS SVEC)** is a student-run organization that enriches the lives of civil engineering students through guest lectures, quiz programs, seminars, workshops, conferences, group discussions, debates, industry internships, field/site visits, industrial visits, orientation programs, newsletter preparation, technical report writing, social events, community service/outreach activities, e-learning and participation in programs organized by other IGS Student Chapters, IGS Tirupati Chapter and IGS. IGS SVEC Student Chapter regularly conducts annual meetings, executive committee meetings and other meetings.

By joining IGS SVEC Student Chapter, students have the opportunity to interact with peers, faculty and professionals outside the classroom. Also, it provides a chance to keep oneself update with the recent engineering knowledge and trends in civil engineering in general and geotechnical engineering in specific.

### ***Management:***

The chapter management consists of One Faculty Advisor and Four Officers.
