

A Report on

***An expert talk
on
Essential skill set for Mechanical engineer***

3rd May 2023

The career guidance session from Women Empowerment Cell with an experienced woman, will certainly help students to make the right choices regarding their career. It will help them understand Industry requirements, in order to prepare well for the interviews. Through this session the students will understand the various skills necessary for job opportunities in leading companies offering challenging job profiles especially in MNCs.

With this objective, The Women empowerment cell was organized "**Essential skill set for Mechanical engineer**" for benefit of students. The resource person, Ms. Y. Akhila, Financial Consultant, TCS, BANGLORE, addressed the II Year students of the Mechanical department of Sree Vidyanikethan Engineering College on May 3rd, 2023.

The programme was organized from **1:30 to 2:30 PM**. Total number of students benefited from the talk is of **40**. At the end of the talk, fruitful discussion was also conducted with the expertise. The students also interacted more with the resource person and she also gave suggestions on career opportunities for boys and girls. The highly motivated students raised a number of questions to the speaker to which she answered with unwavering enthusiasm.
